To The Secretary to the Government of Madras,
HOME ✓ Department.

Sir,

The Medical Officer, Central Jail, Bellary, reports that the entire medical work of the Jail which was done formerly by two Sub Assistant Surgeons is now attended to by one Sub Assistant Surgeon and a compounder. The Medical Officer considers it desirable to provide quarters within the Jail premises for the compounder who is now living in the town at a distance of half a mile from the Jail and the Sub Assistant Surgeon wants the compounder's services at any time of day or night for emergencies. A copy of the letter received from the Medical Officer is enclosed. In the circumstances

circumstances explained, I request that sanction may kindly be accorded for the construction of quarters for the compounder of the Central Jail, Bellary. On receipt of orders, detailed plan and estimate will be called for from the Public Works Department.

2. The Medical Officer suggests that one of the out houses in the old Jailor's quarters, now out of use may be converted into compounder's quarters at a small cost and given to the compounder temporarily for occupation till quarters are constructed. I request the orders of Government whether this arrangement may be made temporarily.

ub:-Provision of quarters - for compounder - Central Jail, Bellary - necessity explained.

This jail had formerly two Sub-Assistant Surgeons and one compounder. The whole medical work is now done by one Sub-Assistant Surgeon and one compounder. This jail received mainly illiterate short term convicts and it is not found possible to have any long termers of any education and train them for the work of nursing orderlies, as provided in the Jail Manual Art. 589 parts I and II; besides it is not even practicable to train these convicts in a jail hospital like this with an inadequate staff and with no proper facilities for any such training to be useful. pk No 36 in Secy's shelf.

In view of the fact that no nursing orderlies exist and that the compounder lives half mile away and in the interest of medical administration, I consider it desirable to provide the compounder with quarters within the jail premises as he often is required by the Sub-Assistant Surgeon at any time of the day or night for emergencies.

In this connection, I should like to suggest that one of the out-houses in the old jailer's quarters (which are now thrown out of use) may conveniently be converted into a compounder's quarters at very little or nominal cost and given to him temporarily, till the construction of proper quarters is taken up.

Sir,

I submit, herewith, plans and approximate estimates for the following works received from the Executive Engineer, Bellary.

1)Constructing new quarters for the compounder in the Central Jail, Bellary on the east side of the Chief Head Warder's quarters.

Vide p 12 infra Approximate estimate for Rs2000/-

2)Converting one of the out houses in the old Jailer's quarters, Central Jail, Bellary, into quarters for the compounder.

Vide p 12 infra Approximate estimate for Rs850/-

p.t.o.

8

The Medical Officer, Central Jail, Bellary has stated in his previous report that one of the out houses of the old Jailer's quarters may be conveniently converted into a compounder's quarters and provided for the compounder temporarily, till new quarters are constructed, as the out house was very old. The Medical officer now states that one of the out houses may even be converted into a permanent compounder's quarters, if necessary alteration and improvements are made in consultation with the P.W.D.

Of the two proposals, the proposal to convert one of the out houses of the old Jailer's quarters into a compounder's quarters, at a cost of Rs850/- Seems to be the best and the cheapest.

Quarters are provided for compounders in the following Jails:

Central Jail, Coimbatore,
" Trichinopoly
" Salem,
" Rajahmundry,
" Vizagapatam,
District Jail, Cuddalore,
" Madura,

and in the interests of the Jail the compounder of the Central Jail, Bellary may be provided with quarters, and there is only one Sub Assistant Surgeon.

Lt-Col.,I.M.S.,
Inspector General of Prisons.

(introd) -do- This estimate has been prepared as per the requisition letter No.G.569 dated 9-12-39, from the Superintendent, Central Jail, Bellary and requisition No.R.O.C.373/S.2/39 dated 10/5/39 from the Inspector General of Prisons, Madras, ~~dated 10-5-39~~, and provides for converting one of the existing outhouses in the compound of Jailor's quarters into quarters for the Jail compounder. As there is also an alternative proposal for contructing a new quarters for the Jail Compounder, only an approximate estimate has been now prepared for obtaining the administrative approval of Government, and on receipt of approval to the proposals and allotment of funds, necessary detailed plans and estimate will be prepared for sanction.

With reference to the memo. on page 3cf the I. G. of Prisons has submitted estimate
ff11-12cf for (1) Construction of new quarters for the Compounder in the Central Jail, Bellary at a cost of Rs 2,000, and (2) Conversion of one of
ff9-10cf. the out-houses in the old Jailer's quarters into quarters for the Compounder at a cost of Rs. 850/-. The Medical Officer of the jail has
p.8cf. stated that the outhouse in the jailer's quarters may be converted into permanent quarters for the Compounder. The I. G. Consider
ibid that this proposal is better and cheaper than constructing new quarters. It is stated that
ibid quarters are provided for Compounders in the Central Jails at Coimbatore, Trichinopoly, Salem, Rajahmundry and Vizagapatam and the Dt. Jails at Cuddalore and Madura.

Please see the letter from the I.G. of Prisons on pp. 7-8 c/f and also the note of Home dept. on p. 3 ante.

The proposal is to convert the existing out-house in the compound of the jailor's quarters into quarters for the compounder at an estimated cost of Rs. 850/- Vide A on p. 3 ante. Vide p. 10 c/f.

The necessity for the work is explained in the I. G.'s letter on p. 1 c/f. The I. G. has not submitted any data statement. The interest on Rs. 850/- alone at 6% per annum comes to Rs. 51/- ie Rs. 4 1/4 p. m. The average pay of a compounder is only Rs. 33 1/3/- (28-40 on 23.33) Therefore the standard rent will not be realised. The Home dept. have supported the proposal.

A draft order approving the ~~proposal~~ is put up. It may be sent to Dir. for acceptance.
